Re: Rivera v. Home Depot U.S.A, Inc. & Third Party Action  
1:16-cv-07552-JGK

Dear Mr. Fletcher:

In connection with our telephone conversation of this date, I represent the plaintiff in this case which has just been reassigned to Judge Koeltl. This case was tried to verdict last year before Judge Forrest. The Second Circuit affirmed same and that decision has been mandated. There are two issues that remain outstanding.

The first concerns my proposed amendment to the judgment which was filed on May 8, 2018. (ECF No. 153.1) Judge Forrest treated the application as a motion which she denied with leave to refile pending the resolution of the appeal (ECF No. 156) I would like to renew this application. The second issue concerns the lifting of the stay that Judge Forrest issued pending the resolution of the appeal. (ECF No. 180) Will the court require a motion to lift the stay or has it dissolved on its own with the affirmance of the verdict.

Thank you for your time and consideration in this regard.
